

WYOMING CLOSE LLC FLOWCHART

For
John and Jane Doe

A Wyoming Close LLC is a business entity formed under the laws of Wyoming and is particularly effective for estate compression, tax purposes, and asset protection. It is conceptually a family holding company for investments. "Members" of the LLC are not personally liable for the debts of the LLC. Also, the assets that are owned by the LLC can be discounted, and this discounted value used for wealth transfer. Further, the sole remedy for a creditor in Wyoming is a charging order. Finally, the Wyoming Close LLC can be owned by a Wyoming Domestic Asset Protection Trust to provide maximum domestic asset protection.

John and Jane can gift their membership interests to each other or to their children, in a tax efficient and asset protected manner.
